Please contact Mrs Whittington re riders marked in RED

Only Team Managers to come to the show secretary's office please

**All horses must have a current passport and up to date flu jabs in order to compete.
(See NSEA rules) No flu jab within 7 days of the competition**

**BBQ's only gas BBQ on raised legs. No charcoal. No disposable BBQ, due to the fire risk.
It is advisable that you have a small fire extinguisher in your horsebox.
No smoking in the lorry park, stables or at the ringside.**

**Please remember that our army of judges, stewards and helpers are volunteers. We could not run championships shows without their support. Please treat them with curtesy respect, however late you are running!
Remember that horses and children are character building. Celebrate the highs but if it goes wrong, reflect that there will always be another day !**

We look forward to seeing you
